## Exposing the Grand Scheme of White Supremacy Spread by White & Black Skinned Nations

By Obadiyah Ysrayl

Shalom, brothers and sisters.

For centuries, after being stripped of our true identity, our people have been in search of one. This search has led us down many different paths. Some that we have taken has led us closer to the true path. There is only one path of truth. Everything else is either a road that leads to the true path or a road that takes us farther away from it. Those of you in the Black Nationalist and Afrocentric movements have been led away from the true path. You have allowed the devil, through his minions, to deceive you big time.

What is a Black Nationalist and an Afrocentric? These words and movements are creations of our enemies. They have thrown these falsehoods at you to keep you away from the truth of who you really are. Let me explain what they have done to you.

Calling yourself a Nationalist means you should have your own land, laws, government, and language that is both owned and controlled by you. You should be independent.

My question to you is: Where is your land, laws, and government? What language do you speak? You are still a slave in the house of your slave master.

Many of you do *not* know you have a heritage, land, laws, and language. The enemy has closed your eyes so tight that no light can get through. The same can be said for you brothers in the Afrocentric movement. Both of you, Black Nationalists and Afrocentrics alike, have been lied to. The enemy has told you that all people of the earth who have black skin are one and the same group. He has taught you that you are a people he calls African. Africa is *not* a nationality. It is the name of a continent. This continent is named after Leo Africanus, a Gentile or white man. There has never been a UNIFIED GROUP WHO IDENTIFIED THEMSELVES BY THE TERM "BLACK." That is a racist, European creation, as is the myth of a so-called "AFRICAN PEOPLE."

## The Racist Agenda of labeling all Black-Skinned Nations as Africans

The ancient Hebrews, Egyptians, Ethiopians, or Libyans *never* spoke of a place called Africa, even though those people were indigenous to that continent. The word, *Africa*, is foreign to many of the indigenous people living there today. That is because the name, *Africa*, is from the Latin language. Latin was the language of the Romans. Leo Africanus was Roman.

They called that land mass Africa in honor of their military general, who defeated Hannibal in the Punic wars. Look it up.

Do the research. The joining of all black-skinned people into one group was done by European racists. Allow me to explain how and why this happened.

When the modern Gentile entered Egypt in the 18th century under Napoleon, they marveled at all the greatness of the Egyptians. They saw the pictures and statues the Egyptians made of themselves. They saw the black skin, thick lips, and woolly hair of the Pharaohs. These Gentiles were Christians, so they knew about the Hebrews being in Egypt. They knew the story of Moses passing as Pharaoh's Grandson, etc. In order to deny the truth, they created a lie. They took one indigenous tribe in Africa, who still had traditional or what they call primitive culture, and said this is how ALL black-skinned people are. They all wear plates in their lips, swing from trees, don't have a written language, etc. By doing this, they said the ancient Egyptians, Ethiopians, and Hebrews could *not* have been black because they could write and build great things. So they lumped all black-skinned people together and called us Africans, Blacks, and Negroes. They called the Egyptians, Ethiopians, and Hebrews white, even though, as scripture tells us, the Egyptians and Ethiopians were brothers, and both were descendants of Ham. The name, *Ethiopia*, means "burnt" or "black face."

Today you have so-called black scholars using the same terminology the Gentile racists created in order to deceive us.

You have been fooled into thinking you have made progress, because you refer to yourself as African or Black, instead of Negro or Nigger. You have *not* made any progress. Calling yourself Black and African is the same as calling yourself Negro and Nigger. They are all bywords and proverbs, and they still do *not* explain who you are. The enemy knows your true identity, and he knows he *cannot* let this information get out into the mainstream.

The people on the continent of Africa do *not* buy into the Gentile racist doctrine that all Africans and Blacks are one nation because we all have similar skin color. The Africans see themselves as different nations and always have.

**By putting us into one group, the enemy is now able to make such statements as "AFRICANS SOLD OTHER AFRICANS INTO SLAVERY." No such thing. Black-skinned Hebrews were sold by other nations, who just happened to have black skin. We were also sold by nations of people with white skin, olive skin, brown skin, red skin, and so on.**

**The enemy has also fooled you into believing the scriptures (bible) is *not* your book, but his. You repeat his foolish doctrine by saying "THE BIBLE IS THE WHITE MAN'S BOOK." Don't you understand that's what he wants you to think? He wants you to believe that you or your people have no hand in that great manuscript that the Almighty, who created the heavens and the earth, has *nothing* to do with you. He wants you to believe that he is the chosen one, and sadly you are believing him. All of this is in the greater plans of the adversary, Satan.**

**That great book known as the bible is your true history book. It is *not* the book of the Jews or Christians. It contains your entire history—past, present, and future. My brothers and sisters, you must come out of that foolish Afrocentric and Black Nationalist nonsense. Come back to your true nation. Satan has a hold on your mind, and he works through his minions to deceive you.**

**Ask yourself this, IF YOU WERE REALLY A PEOPLE CALLED AFRICAN OR BLACK, WHY DIDN'T THE SLAVE MASTER TRY TO WIPE THIS AWAY FROM YOUR MIND SET?**

**In the infamous Willie Lynch Letter, "How to Make a Better Slave," Willie says this: OUR EXPERTS WARNED US ABOUT THE POSSIBILITY OF THIS PHENOMENON OCCURRING, FOR THEY SAY THAT THE MIND HAS A STRONG DRIVE TO CORRECT AND RECORRECT ITSELF OVER A PERIOD OF TIME, IF IT CAN TOUCH SOME SUBSTANTIAL ORIGINAL HISTORICAL BASE: AND THEY ADVISED US THAT THE BEST WAY TO DEAL WITH THIS PHENOMENON IS TO SHAVE OFF THE BRUTE'S MENTAL HISTORY AND CREATE A MULTIPLICITY OF PHENOMENA OF ILLUSIONS, SO THAT EACH ILLUSION WILL TWIRL IN ITS OWN ORBIT, SOMETHING SIMILAR TO FLOATING BALLS IN A VACUUM.**

**Willie Lynch was advising the slave masters to take away the knowledge that we are Israylites. This is the culture that was wiped from our minds and replaced with phenomena of illusions like we are BLACK, AFRICAN, AFRO-AMERICANS, ETC. Our slave masters told us we were Black and African. He called us by these names, because he created them to be used on us. If we are "African," why didn't he wipe that away from our minds? Once you have understanding and see through the lies he has thrown at you, then you can see why the scriptures (bible) is the most beautiful thing in this world. I know you are looking for a place to fit in, and that you are in search of an identity.**

The bible has your identity. The bible is your identity. Instead of making one up or having somebody create one for you, just come back to the one that was given to you by the Creator of the heavens and Earth. No man can take that away from you. I know many of you do *not* believe in Yah or Yahoshua (For those that may be unaware, Yah is the name of the creator in Hebrew, and Yahoshua is the Hebrew name of His son). That is your fault. Some only acknowledge them because you understand that the Messiyah was black-skinned, so you include this in your Afrocentric doctrine. It is *not* about skin color.

Dealing with mankind on the basis of skin color is the doctrine of the devil. Yah, the Most High, deals with man on the basis of nations.

When He destroyed Egypt, He did *not* do it because they had black skin. He did it because they were a WICKED NATION. When He sent Israyl into the hands of the enemies, He did *not* do it because we are a nation of black-skinned people. He did it because we as a nation did *not* keep our end of the covenant we made with Him.

When you call yourself Black, what does that mean? What is a Black? Black does *not* constitute a nationality or culture. It is something that was created to keep you ignorant of your true identity. Every man on Earth is described by his nation (nationality). Chinese are people from China; Irish are people from Ireland; Polish are people from Poland; Mexicans are people from Mexico. Blacks are people from where? As I have already stated on this site, Black is a word that should be used to describe a noun, such as a black car, black skin, black hair, black book, etc. When you use Black Nationalist, what does that describe?

## **Satan's Deception of White Supremacy is Being Spread by Your Own People**

Brothers and sisters, you are only confusing yourself and those around you. I have read some of the books by Afrocentric authors. Many of them are just as confusing. Let me show you an example from the Chancellor Williams book, "THE DESTRUCTION OF BLACK CIVILIZATION." On page 135 he says this: The religious belief in sacrifice for the remission of sins was an African belief and practice for at least 2,000 years before Abraham. The results of a comparative study of the African, Jewish, and Christian religions have amazed many who have undertaken the task. Practically all Ten of the Commandments were embedded in the African Constitution ages before Moses went up Mt. Sinai in Africa in 1491 B.C., a rather late date in African history.

**Allow me to point out the confusion in this statement. Mr. Williams says the belief in sacrifice for the remission of sins was an African belief 2,000 years before Abraham. What does he mean by an African belief? There is no such thing. As I stated, Africa is *not* a unified group, race, nation or nationality. What the Ashanti Tribe on the West Coast of Africa believe is *not* the same thing the Zulu's believe in South Africa. The same thing the people in Libya believe is *not* the same thing the people in the Sudan believe. Africa has *never* been one unified group with the same beliefs and thoughts. They differ from group to group, just like the rest of mankind does. Not all people on the Asian continent believe the same. Not all people in Europe believe the same. So why do you expect the people on the continent of Africa to be the same? IT IS THAT WAY FOR THE SOLE PURPOSE OF DECEPTION. What Mr. William has written concerning an African belief is false. There *never* has been such a thing as African belief.**

**Next, he says the Ten Commandments were embedded in the African Constitution ages before Moses got them from Yah on Mt. Sinai. Have any of you ever read this African constitution that has the Ten Commandments embedded in it? HAVE ANY OF YOU EVER SEEN IT? NO! Nobody has ever seen or read such a thing, because it does *not* exist. Speaking of constitutions, which one is the model for the African continent? Is it Ghana, Ethiopia, Liberia, Egypt, South Africa, or Zimbabwe? You get the point. There is *no* United Africa. Africa is home to many nations of different people.**

**To further confuse you, Chancellor says the original Hebrews and Arabs were white people.**

**The people we call "Jews" indiscriminately are Hebrews by race and Jews by religion. Anyone can be a Jew, but not a Hebrew. The Hebrews and the Arabs are both white Semitic peoples, and no numbers of offspring by non-Hebrews and non-Arabs, or adherents to either religion will change this absolute fact. After all those centuries of racial mixing, there was nothing unusual about the appearance of great colored leaders in Palestine or anywhere else in Asia, including, from time to time, their rise to kingship in Israyl, Syria (Aram), Mesopotamia, etc.**

**But the white Jews (Hebrews) and white Arabs remain exactly what they were—white.**

**This is the same racist doctrine that the Gentiles (whites) created in order to deceive us. One of your Afrocentric scholars is teaching you the same thing, and you take it as Gospel. Who taught Chancellor this lie? If you have read the material from this site, you can see from history and scripture that the Hebrews were a Black people or nation.**

**In his book, he identifies Egypt as a Black nation, which is true. And we know throughout the scriptures that the Hebrews are said to look like the Egyptians in physical appearance. The scriptures tells us that:**

- **Moses passed as Pharaoh's grandson for 40 years (Acts 7:23)**
- **Moses was called an Egyptian (Exodus 2:16-19)**
- **The apostle Paul was mistaken for a black-skinned Egyptian (Acts 21:37-38)**
- **Joseph was *not* recognized by his brothers in Egypt, and they thought Joseph was an Egyptian (Genesis 42:1-8)**
- **Yahoshua was hidden in Egypt from the wrath of King Herod (Matthew 2:13)**

**Also, whenever Yah struck them with leprosy their skin turned white, which means it was *not* white to begin with. It was the opposite of white.**

**How can Mr. Chancellor Williams identify Egypt as a Black nation, but say the Hebrews were white when the Hebrews passed for Egyptians? That is utter confusion. He is repeating the wicked Gentile racist doctrine, and sadly you have taken hold of it hook, line, and sinker.**

**The truth about your Black and African Movement is this: you have embraced White Supremacy and put a Black face on it.**

**This is why other black-skinned people from around the world do *not* want to unite with you. You have nothing to offer them. Your people are in the richest nation on Earth, but are at the very bottom of society. How do you explain that? What is your answer for someone who asks you, "How did your people get in this situation?" How was it possible for a handful of slave traders to come, capture, and disperse millions of people throughout the world? How can you teach or liberate anybody if you *cannot* do the same for yourself or your people? The only thing you would take to the other Black nations is White Supremacy. That's what your movement is. You are spreading the doctrine of racists and you are doing the bidding of your slave masters.**

**I know it sounds harsh, but the truth must be told. This is not written in any way to offend you, but if it does, all I can say is SO BE IT. THE TRUTH HURTS. Our people are in a very critical crisis and we can no longer tolerate foolishness and deception. We, as a people, only have two choices:**

1. **Continue to live by the lie and die, or**
2. **Choose the truth and live forever.**

**The choice is always yours.**
